Knightsmare Rugby Football Club – Parent Involvement

The Knightsmare Rugby is a club sport and, as such, relies on parent involvement to keep costs down and to provide an opportunity for anyone interested in playing to be able to do so.

During the year there are a number of opportunities for parents to help the club, the coaches and the players make sure the season is as successful and enjoyable as possible.

Frostbite Tournament:

The Frostbite should be our biggest fundraiser. It will be held in the last weekend in February on both the High School Stadium and the Quad Fields. The parent(s) of each player will be required to donate food items for the concession stand and work shifts in the concession stand during the tournament.

Participation in the Frostbite event is mandatory as it is a key to the financial stability of the club.

Other Rugby season Volunteer Opportunities:

- Post Game Social Coordinators – 1 or 2 for each team
- Team photographers – take and post game photos – 1 per team
- Videographers to tape games
- Transport and chaperone players during PSU Winter Rugby Clinic in February (tentative)
- Help with field set up before games
- Help with Spring Playoffs (tentative)
